Constructing distributed systems in Conic - all 9 versions »

J Magee, J Kramer, M Sloman - IEEE Transactions on Software Engineering, 1989 - doi.ieeeecs.org
... through the need to incorporate new functionality and technology in ... A Conic application,
consisting of one or more ... On a target computer, Conic executes with no ...

Cited by 213 - [Related Articles](#) - [Web Search](#) - [Library Search](#)

Process control and scheduling issues for multiprogrammed shared-memory multiprocessors - all 6 versions »

A Tucker, A Gupta - ACM SIGOPS Operating Systems Review, 1989 - portal.acm.org
... safely suspended after queueing the partially executed thread ... have, and (ii) restricting
each application to the ... The functionality of each part could be put in ...

Cited by 257 - [Related Articles](#) - [Web Search](#)

An architecture-based approach to self-adaptive software - all 9 versions »

P Oreizy, MM Gorlick, RN Taylor, D Heimbigner, G ... - IEEE Intelligent Systems, 1999 - doi.ieeeecs.org
... components can encapsulate functionality of arbitrary complexity ... in supporting runtime
change in applications that utilize ... assume that they will execute in the ...

Cited by 376 - [Related Articles](#) - [Web Search](#)

Improving host security with system call policies - all 16 versions »

N Provos - Proceedings of the 12th USENIX Security Symposium, 2003 - unix.org
... When an application executes a new program, the operating ... the process is running
with the executed program ... new program also implies new functionality that could ...

Cited by 180 - [Related Articles](#) - [Cached](#) - [Web Search](#)

Using aspectC to improve the modularity of path-specific customization in operating system code - all 9 versions »

Y Coady, G Kiczales, M Feeley, G Smolyn - Proceedings of the 8th European software engineering ..., 2001 - portal.acm.org
... That is, it executes only when control flow has ... 5 files, 2 levels of function tables
handled by ... Without principled application, the possibility of degrading ...

Cited by 146 - [Related Articles](#) - [Web Search](#)

The application visualization system: a computational environment for scientific visualization - all 6 versions »

C Upson, TA Faulhaber Jr, D Kamins, D Laidlaw, D ... - Computer Graphics and Applications, IEEE, 1989 - ieeeexplore.ieee.org
... access to a large set of functionality, they also ... general, this analysis cycle is
executed over and ... The application visualization system We are developing AVS ...

Cited by 559 - [Related Articles](#) - [Web Search](#)

Lottery Scheduling: Flexible Proportional-Share Resource Management - all 64 versions »

CA Waldspurger, WE Wehl - ... of the First Symposium on **Operating Systems Design and ...**, 1994 - usenix.org
... to converge more slowly; a **cubic function** would result in ... 20 queries, and the time
between the start ... We found that this **application executed** 1.7% faster under ...
[Cited by 434](#) - [Related Articles](#) - [Web Search](#)

The Clouds Distributed **Operating System** - all 14 versions »

P Dasgupta, RJ LeBlanc, M Ahamad, U Ramachandran - Computer, 1991 - doi.ieeecomputersociety.org
... An object can be written from the viewpoint of the **functionality** it is meant to
provide, rather than the ... The **application** is then **executed by creating a ...**
[Cited by 177](#) - [Related Articles](#) - [Web Search](#) - [Library Search](#)

Modeling Web application architectures with UML - all 3 versions »

J Conallen - Communications of the ACM, 1999 - portal.acm.org
... the activity in the client page is **executed** with JavaScript ... This also applies to
function parameters, which, although not ... in a Web site or application has been ...
[Cited by 265](#) - [Related Articles](#) - [Web Search](#)

The **operating system** kernel as a secure programmable machine - all 19 versions »

DR Engler, MF Kaashoek, JW O'Toole Jr - ACM SIGOPS Operating Systems Review, 1995 - portal.acm.org
... The exokernel's sole **function** is to allocate, deal ... generation to ef- ficiently **execute**
application kernel extensions. ... be extended using existing **application code** ...
